INGREDIENTS:

- 3-5 mint leaves
- 1 lime
- 3 tablespoons Torani Sugar Free Sweetener
- Crushed ice
- 6 ounces carbonated mineral water

INSTRUCTIONS:

Put the mint leaves at the bottom of a 12 ounce glass and bruise them. A mottler works best for this. Add the juice from 1 lime, which is about 2 tablespoons of juice. Add sweetener and then fill the glass up about half way with crushed ice. Finally, top off with the carbonated mineral water. Give it and quick stir and enjoy!
